MILFORD HAVEN PORT AUTHORITY SCHEDULE OF MISCELLANEOUS CHARGES 2023

Levied with effect from 1 January 2023

Escort Patrol Boats

The Milford Haven Port Authority will provide a Patrol Boat when required to escort vessels underway in the Haven.

The following types of vessels will be required to be provided with a Patrol Boat Escort:-

- 1) Oil tankers of 50,000 Gross Tons or more
- 2) Liquefied Petroleum Gas tankers of 25,000 Deadweight Tons or more
- 3) All Liquefied Natural Gas tankers
- 4) Any other vessel at the discretion of the Harbourmaster

The Authority shall make a charge of £1,994 per movement on each occasion that an escort patrol is provided except that where a vessel shifts between two berths at the same terminal the charge shall be 50% of the normal rate (£997).

Attendance of Officers and Administrative Support

The charge out rate for any of the Authority's Marine Officers shall be £136 per hour or part thereof.

This charge is to be levied when Officers (including Deputy or Assistant Harbourmasters) attend oil pollution incidents to investigate the cause and/or supervise the clean up and for any other appropriate recharges.

Administrative Support shall be charged at £98 per hour.

Hire of Pilot or Patrol Launch

The hourly charge for the hire of any of the Authority's pilot or patrol launches shall be £421 per hour or part thereof.
